Dear Client / Lift Owner,

Welcome to Direct Lifts Service, the lift recently delivered to 185 Old Northern Road, Castle Hill NSW 2154 needs the Warranty Registration form to be filled out for the warranty to be valid.

To activate your Direct Lifts Australia Warranty from Handover and ensure we have the correct details for future servicing, warranty support, and invoicing, we ask that you or the final owner completes our short Warranty Registration Form.

The form will only take 2–3 minutes and allows us to register:

Your warranty

Your preferred contact details

Ownership/entity information

Billing details for future service requirements

Please complete your Warranty Registration here:

👉 https://directlifts.formstack.com/forms/warranty_registration

Once submitted, your warranty registration will be completed, and we'll have everything in place to provide you with ongoing support throughout the life of your lift.

If you have any questions, please don't hesitate to contact our team.

Kind regards,

The Direct Lifts Service Team
