60cm 9 multi-function stainless steel oven with SurroundCook and programmable timer. COMMERCIAL SALES EXCLUSIVE.

RRP AUS $1,199.00

Product Details

FEATURES

SteamBake

Multi-level cooking
Multiple heating rings spread heat evenly, to make sure all your meals are cooked properly.

Simple interface

Steam Cleaning
Steam Cleaning program cleans your oven with ease.

Anti-fingerprint stainless steel

BENEFITS

ADD STEAM FOR CRISPIER BAKING
The SteamBake button in this oven adds steam at the beginning of the baking process. The steam cooking keeps the dough moist on the surface to create golden colour and tasty crusts, while the centre stays soft and tender. In addition to baking crispy and tasty breads, muffins and pies - your roast chicken, grilled meats and lasagna will get equally delicious cooking results.

FULL OVEN, FULLY COOKED
This oven provides multiple heating rings, covering all levels with the necessary heat. Ensure all your dishes get an even cooking time, even when you have three fully loaded trays.

FUSS FREE INTERFACE
Let the oven take care of timing. The user interface allows you to set the clock, cook time, cut off time and a minute minder so you can focus on the flavour.

CLEAN WITH THE POWER OF STEAM
A clean oven ensures delicious flavours, prevents cooking odours, and helps maintain optimal performance. Clean your oven effortlessly with the Steam Cleaning program. Let the natural power of steam lift grease and grime with ease simply wipe it away. The oven display will inform you when cleaning is required.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Type of Oven	single oven
Oven fuel	electric
Materials/Colour	anti-fingerprint stainless
Controls of Oven	control knob
Cooling fan	Yes

DIMENSIONS
