50cm integrated dark stainless rangehood with 690m3/hr extraction rate, 3 fan speed and dishwasher safe filters. ONLY AVAILABLE COMMERCIALLY

RRP AUS $469.00

Product Details

FEATURES

3 fan speeds

690m3/hr extraction power

LED lighting

5 layer filter

Dark stainless steel finish
Anti-fingerprint dark stainless steel prevents dirty marks from sticking to the surface.

Dishwasher-safe filters

BENEFITS

CHAR. SEAR. ENJOY.
Three fan-speeds allow you to set the airflow according to how and what you are cooking. Set the fan at low when simmering, or increase to high when boiling or frying.

POWERFUL EXTRACTION
Whether you are searing steaks or wilting spinach, its important to maintain clean and fresh air in your kitchen while cooking. With a 690m3/hr extraction rate, this hood quickly removes vapours so you can enjoy cooking without distraction.

PERFECTLY ILLUMINATED SURFACES
Bright LED lighting clearly illuminates your hob and is also more energy efficient and environmentally friendly than traditional halogen lighting.

SO EASY TO CLEAN
For an extractor to work efficiently the filters need to be clean and free from the cooking grease that builds up over time. All AEG filters are dishwasher-safe, making cleaning as simple as possible, whilst also being better for the environment than single use filters.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Type of Rangehood	integrated under cupboard
Nominal width (cm)	500
Finish of Rangehood	Dark stainless steel

MOTOR/FAN

Number of fans	1
Number of fans speeds	3
Type of motor	tangential
